

JT Saturday Assistant

Looking for some extra paid work?

Are you a current Trinity Laban student and interested in gaining experience in **facilitation, music programmes, events and concerts?**

Junior Trinity is Trinity Laban's Junior Music Department, running every Saturday during term time, with occasional work on Sundays and midweek during audition periods.

We're looking for friendly, reliable and dependable students to join the **Junior Trinity Crew Deputy List**.

This is a great opportunity to gain practical experience working with young musicians, supporting music-making, and getting involved behind the scenes at rehearsals, events and concerts.

What does the work involve?

As part of the Junior Trinity Crew, you could be involved in:

- Setting up and packing down classrooms, ensembles, Masterclasses, Teatime recital concerts and external Junior Trinity concerts
- Production and crew work for concerts
- Supporting tutors with registers for ensembles and larger groups
- Helping to safeguard young people on site
- Greeting parents and young people and helping create a warm, welcoming environment
- Reporting any incidents directly to the Duty Manager
- Putting up and checking appropriate signage

What are the hours?

We have a minimum of six Student Assistants working each week. Available shifts are:

- SA1: 08:00–16:00
- SA2: 08:00–16:00
- SA3: 08:00–16:30
- SA4: 08:30–16:30
- SA5: 10:00–18:30
- SA6: 10:00–18:30

A flexible opportunity alongside your studies

Please note that this is a **Deputy List**, so there is **no guarantee of work every week**. Junior Trinity books crew as far in advance as possible, normally at the beginning of each term, depending on staffing needs.

We understand that you have your own studies, performances, projects and other opportunities. We want to create a relaxed and supportive working environment while also working with people who are **reliable, dependable, friendly and enthusiastic** when they are booked to work.

If you enjoy working with people, music and young musicians, we'd love to hear from you!
